Hearts for Harrison

Please consider showing your love for our school community with a direct donation to the Harrison Elementary PTA through the Hearts for Harrison campaign, facilitated by the Omaha Public Schools Foundation. PTA funds support your kids, their teachers, and our entire school community through grants for teachers, field trips, programs and assemblies, classroom supplies, and so much more.

Use the link shared here to make your donation, and feel free to share with family, friends, and anyone who might be interested in supporting the collaborative, community-building efforts of the PTA. One of the many great things about this initiative is that OPSF gives us all the money we earn – there are no administrative fees or hidden costs.

Donations are welcome at any time during the school year. However, we have set a goal to raise \$1500 during the month of February, and we thank you SO much for your contribution! Here is the link: <https://omahapublicschoolsfoundation.org/hearts-for-harrison/>

YEARBOOK

PTA Opportunities

Yearbook sales are up and running! This year's 36-page, full-color book is an incredible keepsake for you and your children. You'll see school portraits, candid photos of school events and classroom moments, and even quotes from students. The books cost \$20 each, and they're available by pre-order only. The ordering deadline is Wednesday, March 4th.

It's never too late to get involved! There are still many ways to support Harrison teachers and students. Please let us know if you are interested in helping out with either the Spring Carnival or Sixth Grade Celebration.

Robotics Tournament at Harrison

Look for an order form in your child's backpack (let us know if you need a new one), or order online via this link: <http://commpe.pictavo.com>.

Many thanks to all the parents, teachers, staff, and spectators who helped to make Harrison's Robotics Tournament such a great success! The tournament raised just over \$1000 for the PTA!
